Denver, July 1.—The stx days ending to-less have whosesed the greatest amount of business done at the Denver british mint for any six days in its existence,

Sample No. I. marked Gotchel, special red cride, assayed 10 ounces aliver, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 10 per cent copper, sensitive, 45 in gold and 40 per cent copper, because aliver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver, 45 in gold and 40 per cent copper, because a gold and silver and by these fixtures and by the whistless at the mine of copper, sentent was a winched the charges on some classes of the gold and silver and a gold and silver, 45 gold and 40 per cent copper, sentent was a gold and silver, 45 gold and 40 per cent copper, sentent was a gold and silver, 45 gold and 40 per cent copper, 40 gold and 40 gold and 40 per cent copper, 40 gold and 40 gol

On the night of the Fourth the post-office at Manning was rebbed. The thief reached into the delivery window and extracted about 33 that had been taken in payment for stamps, which was in a small drawer below the win-dow. No clue to the thief has been obtained.

EAGLE VALLEY DISTRICT.

The New Camp Making Rapid Advance to the Front. Colonel H. L. Pickett and I. E. Bush

returned yesterday from their visit to Eagle Valley district, in Nevada, which

since a week ago from last Monday, the day of the 'buige,' which was looked upon as marking the culmination of the upward movement. But whereas the sales of that day reached an aggregate of over 500,000 shares, today's total sales fell below 150,000 shares, which is the minimum for many weeks except yesterday. The market was in the last degree professional 2 id reflected no widespread public sentiment regarding the outlook for values, and probably no very well defined or competent private sentiment. The professional traders ever-present desire to see prices move was about the only motive that could be discerned in the trading.
